MUSLIM  
ECONOMIC  
COMMUNITY  
CO-OPERATIVE  
IN  
AMERICA

## PLAN

**"We must build a social welfare system, economic system, build model communities and an agricultural infrastructure amongst ourselves, based on The Quran and Sunnah, that will serve the needs of The Whole of Humanity"**

**“Long before President Roosevelt’s  
New Deal,  
Long before Self-Help Programs,  
Long before Do-for-Self Programs,**

**ALLAH (SWT) blessed us with The Quran  
and Prophet Muhammad (pbuh) who is  
the best example of human excellence.  
Prophet Muhammad (pbuh) demonstrated  
to the world the best social welfare  
system, the best economic system, and  
built the best of model communities, all  
based on The Quran.**

**It is now the mission of the  
Indigenous Muslims of America to restore  
that light by building a social welfare  
system, economic system, and model  
communities in the inner cities of  
America that will radiate out to the  
broader and global community, which will  
then lead mankind out of the global  
darkness (inshallah).**
